

DECLARATION OF CO-AUTHORSHIP DOCTORAL THESIS

The declaration is for candidates for the doctoral degree. The declaration must be completed for each conjointly authored publication. Please note that the author's contribution to the present publication as stated in this declaration, including declarations in the publication per se, must correspond to other already completed declarations relating to the awarding of any academic degree for the author or co-authors of the publication. If other declarations exist for the present publication, they must be enclosed.

1. Declaration by	
Name of the candidate	
E-mail	
Title of doctoral thesis	

2. The declaration applies to the following publication	
Title of publication	

3. The candidate's contribution to the publication (please use the scale A-F as benchmark) <u>Benchmark scale of the candidate's contribution to the article</u>	A, B, C, D, E, F
A. Has essentially done all the work (> 90 %) B. Has done most of the work (60-90 %) C. Has contributed considerably (30-60 %) D. Has contributed (10-30 %) E. No or little contribution (<10 %) F. Not relevant	
1. Formulation/identification of the scientific problem	
2. Planning of the experiments and methodology design and development	
3. Conducting the experimental work/clinical studies/data collection/obtaining access to data	
4. Interpretation of the results	
5. Writing the manuscript	

Provide a short description of the candidate's specific contribution to the publication. ¹

4. Material from another thesis / dissertation ²	
Does the publication contain work, which has also formed part of another thesis / dissertation, e.g. master's thesis, PhD thesis or doctoral dissertation (the candidate's or another's)?	Yes: <input type="checkbox"/> No: <input type="checkbox"/>
If yes, please state name of the author and title of thesis / dissertation.	
If the publication is part of another author's academic degree, please describe the candidate's and the author's contribution to the publication so that the individual contributions are clearly distinguishable from one another.	

5. Signatures co-authors ³				
	Date	Name	Title	Signature
1.				
2.				

¹ This can be supplemented with an additional letter if needed.

² Concerning doctoral degree, see Ministerial Order on Doctoral Degrees § 5 (2):

"If the dissertation comprises dissertations or research results which have already been successfully submitted for an academic degree in Denmark or abroad or as a prize thesis, this must appear from the doctoral dissertation. The degree can only be awarded if the dissertation demonstrates that the author has obtained new scientific results which in themselves have contributed substantially to the advancement of science compared with those submitted earlier, cf. section 3."

³ If more signatures are needed please add an extra sheet.
