

Evaluation Plan for MSc in Neuroscience

Academic year: 2025-2026

Course/activity	Period	Evaluation method
Neuroscience I - Cells and circuits	E25	Dialogue
Experimental design in Neuroscience	E25	Dialogue
Master's Thesis in Neuroscience	E25 + F26	Survey
Neuroscience II: Higher brain function	F26	Dialogue
Drug discovery and development in Neuroscience (elective)	F26	Dialogue
Computational Neuroscience (elective)	F26	Dialogue
Laboratory Animal Neuroscience and Neurosurgery (elective)	F26	Dialogue
