

Submission of PhD thesis without enrolment

Confirming the application - statement from the university representative

Name of applicant:

As university representative I declare that:

- ✓ The author has a documented affiliation with the UCPH. (Examples of affiliation: The author has studied or had a research stay at UCPH, the author has cooperated and/or published papers with scientists from UCPH, or the author has taken courses at UCPH).
- ✓ The author fulfills the requirement for stay in another research environment.
- ✓ The author passed PhD courses at a total of 28-35 ECTS.
- ✓ The author gained experience of teaching activities or other forms of knowledge dissemination related to the PhD project.
- ✓ I am aware that the author has to complete two mandatory courses in Responsible Conduct of Research before submitting the PhD thesis.
- ✓ The author plans to hand in the thesis within one year.
- ✓ I am aware that neither the PhD thesis nor parts of it must have formed the basis for allocation of other academic degrees.
- ✓ The research, the articles/manuscripts and the synopsis that form the basis of the PhD thesis is in line with the University of Copenhagen's Code of Conduct for Responsible Research, and thereby the Danish Code of Research integrity.
- ✓ The design, collection of data, and conduct of the research is consistent with practices within the field of research in question. All necessary ethical permits and legal approvals have been obtained.
- ✓ I have passed the SUND seminar on Responsible Conduct of Research.
